

Dover Foundation YMCA~After School Extreme 2011-2012

The YMCA's After School Extreme Program provides a safe, fit and fun environment for children to spend their afternoons. Children have fun in guided recreation and physical challenges, enjoy making and eating nutritious snacks, develop lasting friendships, find their creative sides with arts and crafts projects, get involved in their community with volunteer projects and develop age-appropriate skills. Our counselors model and reinforce the values of caring, responsibility, honesty, respect and faith in God.
